Earned Income Disallowance Policy for the Housing Choice Voucher Program

The Housing Opportunity Through Modernization Act of 2016 (HOTMA) provides for the removal of the statute for the Earned Income Disallowance deduction.

Families will continue to qualify through 1/1/2024 and they will continue to receive the EID under the current regulations receiving the full 24 months of exclusion.

No new exclusions will be granted as of 1/2/2024 and the EID program will fully sunset on 1/1/2026.
